William Potter : Survival! Heroes, Villains, Character Lessons from the Wilderness Frontier before purchasing it in order to gage whether or not it would be worth my time, and all praised Survival! Heroes, Villains, Character Lessons from the Wilderness Frontier:

Between civilization and wilderness is a borderland called "frontier." In and beyond this frontier is a testing ground for men and women, a place where courage is crafted, perseverance is proved, and faith is forged. In Survival! join noted historian and storyteller Bill Potter for twelve exciting, true tales of exploration, adventure, and determination in American history. From Spanish conquistadors exploring North America and Captain John Smith's exploits at Jamestown, to Pony Express riders and Confederate emigrants, discover God's amazing providences in the wilderness. Includes a study guide with study questions and answers.
