Used for homeschool history class in conjunction with "The Story of Liberty" book. Both excellent! 1 of 1 people found the following review helpful. Not as simple as taught today. By Charles W Wilkins Not much time is given today on the early events of our

nation. This is a great resource to help me teach my family our great heritage, struggles, and dedication to GOD. More importantly, His grand plan and guidance.

Maranatha Publications has reprinted Charles Coffin's 1881 history of the founding of the United States with the desire to make the present generation aware of the role that the founding fathers attributed to Divine Providence.
