Larry Madaras, James SoRelle : **Taking Sides: Clashing Views in United States History, Volume 1: The Colonial Period to Reconstruction** before purchasing it in order to gage whether or not it would be worth my time, and all praised Taking Sides: Clashing Views in United States History, Volume 1: The Colonial Period to Reconstruction:

1 of 1 people found the following review helpful. awesome book
By Katie
I loved this product because I needed it for school and it was cost effective. there were no tears or any issues with it and I got it in a timely fashion. Great product! it def met my expectations. Also it was an interesting read. SHowed many interesting different points of view. really opened up my mind.

Textbook came in safely brand new everything was protected book was not damaged during shipping. A+++
4 of 4 people found the following review helpful. Great Series!
By Robbie K. Gill
This series should be in high schools and colleges alike. It's excellent and forces the reader to look at their opponent's view points in order to better understand differing opinion/thoughts/etc.

Taking Sides volumes present current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with Learning Outcomes, an Issue Summary, an Introduction, and an Exploring the Issue section featuring Critical Thinking and Reflection, Is There Common Ground?, and Additional Resources. Taking Sides readers also offer a Topic Guide and an annotated listing of Internet References for further consideration of the issues. An online Instructors Resource Guide with testing material is available for each volume. Using Taking Sides in the Classroom is also an excellent instructor resource. Visit www.mhhe.com/takingsides for more details.
