Diane Moczar : Ten Dates Every Catholic Should Know: The Divine Surprises and Chastisements That Shaped the Church and Changed the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Ten Dates Every Catholic Should Know: The Divine Surprises and Chastisements That Shaped the Church and Changed the World:

2 of 2 people found the following review helpful. which could easily had made this a much thicker volumeBy H. Mauricio FryeHistory, in general, can mean there is a lot of data to deal with, which could easily had made this a much thicker volume. However, she does a good job of hitting the 10 dates with enough detail for a person to gain knowledge of why it was selected by her. On anything I felt she skimmed to much, I just surfed the web to get more insight. Bottomline, worth reading.1 of 1 people found the following review helpful. "Ten Dates Every Catholic Should Know..."By AnnaThanks Diane Moczar for writing this very informative book.. Shame on me being a Traditional Catholic and not knowing half this stuff. I will keep this book where everyone will see it.0 of 0 people found the following review helpful. Excellent perspectiveBy AJAI encourage the reading of this book. It seems written to be easy to understand in a very flowing style. The topics presented are serious, but not presented In a preachy style. I actually learned a few things! I will definitely look into reading more material by this author.

Here are the saints and sinners, popes and kings that God used to shape his Church and change the world. You ll meet Clovis and Charlemagne, Luther and Pope Leo, Suleiman and St. Francis, the Arians, the Franks, the Huguenots, and others whose sins or sacrifices altered the course of history. Here, too, are the wars and plagues, the ideas and institutions -- and, yes, the miracles that gave birth to our Christian civilization and often threatened to doom it. Experience the battles of Tours and Lepanto, the Crusades, the Russian Revolution, and Fatima, the miracle that foretold (and offered a way to prevent) the conflicts that killed millions in the twentieth century. Wars and terrorism have rendered the first years of our new century no less bloody. Has God now abandoned us? Ten Dates Every Catholic Should Know finds the answer in history: from the first days of the Christian era, at key moments when civilization hung in the balance, God has intervened sometimes subtly, sometimes dramatically but ever and always he has come forward himself or given strength to those who were faithful to him. Consider, for example: Constantine, the pagan general who, in a desperate hour, saw a vision that made him a Christian and led to the conversion of the entire Roman Empire Pope St. Leo, who confronted Attila the Hun face-to-face and, without sword or dagger, turned back this Scourge of God and all his murderous hordes The surprising victories of the outgunned armies that thrust back the Moors, the Turks, and the barbarians just when Christendom faced annihilation Plus: St. Genevieve, Pepin the Short, Pope St. Pius V, St. Margaret Mary, and countless others who, in crucial moments, were called by God to save his people and give new life to our culture and his Church. Ten Dates Every Catholic Should Know is essential reading for any Catholic who wants to understand the history of our Faith. But it will give you more than knowledge: you ll close this book with renewed confidence that no matter how dark and dangerous the times may be, God has never abandoned his people . . . and never will.

From the Inside FlapHere are the saints and sinners, popes and kings that God used to shape his Church and change the world. You'll meet Clovis and Charlemagne, Luther and Pope Leo, Suleiman and St. Francis, the Arians, the Franks, the Huguenots, and others whose sins or sacrifices altered the course of history. Here, too, are the wars and plagues, the ideas and institutions -- and, yes, the miracles that gave birth to our Christian civilization and often threatened to doom it. Experience the battles of Tours and Lepanto, the Crusades, the Russian Revolution, and Fatima, the miracle that foretold (and offered a way to prevent) the conflicts that killed millions in the twentieth century. Wars and terrorism have rendered the first years of our new century no less bloody. Has God now abandoned us? Ten Dates Every Catholic Should Know finds the answer in history: from the first days of the Christian era, at key moments when civilization hung in the balance, God has intervened sometimes subtly, sometimes dramatically but ever and always he has come forward himself or given strength to those who were faithful to him.About the AuthorDiane Moczar, Ph.D., teaches history at Northern Virginia Community College. She has written articles for Triumph, Smithsonian, Catholic Digest, National , The Latin Mass Magazine and many other publications.
