O. Palmer Robertson : The Israel of God: Yesterday, Today, and Tomorrow before purchasing it in order to gage whether or not it would be worth my time, and all praised The Israel of God: Yesterday, Today, and Tomorrow:

2 of 2 people found the following review helpful. A good antidote to the contagion of Christian ZionismBy A.J. MacDonald, Jr.This is a good book about an important subject. I wish everyone who considered themselves to be Bible-believing Christians would read this book. It's a good antidote to the contagion of Christian Zionism.4 of 4

DenisonA stellar explanation of Paul's use of the term "the Israel of God" in concluding Galatians. If the reader is willing to move slowly through the text, looking up Scriptural references, s/he will find that the Dr. Robertson's arguments are unanswerable. For the reader committed to inerrancy but confused about the views proposed to clarify the End Times, here is a text that will make a cogent, defensible interpretation/understanding possible.17 of 19 people found the following review helpful. Covenant theology at its bestBy R. CannataVery, very precise, careful exegesis. His discussion of the theme of the "Land" is the best and clearest I've ever read, and by itself is worth the price of the book.Robertson is among the best and clearest on covenant theology. I've appreciated this book most of all his recent works.

Robertson offers a look at the questions: "Who is the Israel of God today?" and "What is their relationship to the Promised Land, and to Israel's worship, lifestyle, and future?"
