Thomas Guthrie Marquis : The Jesuit Missions: A Chronicle of the Cross in the Wilderness before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jesuit Missions: A Chronicle of the Cross in the Wilderness:

0 of 0 people found the following review helpful. Fascinating HistoryBy Sheli A. LulkinThis history was obviously written quite awhile ago. For one thing it does not meet current pc standards. It is amazing what the explorers went

through and how hard life was. I gained a lot of insight about the life of Native Americans. I knew they were not treated well but I didn't know how badly until I read this book. They certainly put up with a lot. There is a lot of original source material in this book. 0 of 0 people found the following review helpful. Some Interesting Specific Histories By Andrew Glynn Those looking for more of an overview of who and what the early Jesuits were might be disappointed, but if you're familiar with the general outlines, this gives some specific histories that are interesting both in how individuals expressed and diverged from the overall tenor of the order. 1 of 1 people found the following review helpful. Excellent book By ramy I am still reading the book, but it is great, those who are interested in Christian religion will enjoy it.

We have thousands of titles available, and we invite you to search for us by name, contact us via our website, or download our most recent catalogues. For seven years the colony which Champlain founded at the rock of Quebec lived without priests. Perhaps the lack was not seriously felt, for most of the twoscore inmates of the settlement were Huguenot traders. But out in the great land, in every direction from the rude dwellings that housed the pioneers of Canada, roamed savage tribes, living, said Champlain, 'like brute beasts.' It was Champlain's ardent desire to reclaim these beings of the wilderness. The salvation of one soul was to him 'of more value than the conquest of an empire.' Not far from his native town of Brouage there was a community of the Recollets, and, during one of his periodical sojourns in France, he invited them to send missionaries to Canada.

About the Author Thomas Guthrie Marquis (1864-1936) was a Canadian author, born at Chatham, New Brunswick, and educated at Queen's University, Kingston, where he graduated in 1889. He became a teacher, but he retired in 1901 to devote himself to literature. (Wikipedia)
