**Glend Green : The Keys of Jeshua** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Keys of Jeshua:

Her dialogues with Jeshua are powerful and enlightening. They are intelligent, educated communications between a perceptive channel and a highly spiritual being. While "The Keys of Jeshua" contains many biblical references, this is not the Jesus of evangelical Christians. This is the Jeshua of new spirituality, giving us an empowering message of love and joy. This book was published well before the much-

hyped "The Secret" but you will find many of the same truths in Glenda's communications with the Master (and in a much less simplistic form). Jeshua talks about how we are creating our own destiny. He also talks about love - how the energy that runs through everything is pure, divine love, and it is available to all of us at any time. He explains complicated matters of science and creation, and provides sage advice for how to understand the world, learn to navigate in the river of life, and embark on a path of enlightenment. Also, I love Glenda's paintings of Jesus. She makes him look strong and charismatic, which of course he must have been when he walked the earth. 1 of 1 people found the following review helpful. at least a dozen as it is THE book I love to give away By Jacqui Graziano Glenda Green's experience and writings remain to be my number one inspiration in my entire life. has a seeker on a spiritual path since a child, this book along with her first "Love without End" which I cannot tell how many copies I've purchased...at least a dozen as it is THE book I love to give away, nothing comes close to the wisdom, enlightenment, truth, knowledge, explanations of the large questions we all face at one time or another, nor the love that transmits thru the pages. I will forever be eternally grateful for Mrs. Green having the courage to share her extraordinary experience. 2 of 2 people found the following review helpful. Loving...The Keys of Jeshua! By BlueWolf Reading the Keys of Jeshua actually brought me to tears. Maybe I can't get over his kindness, his goodness...to be able to communicate with someone such as he...I can't imagine a greater honor. Beautiful story. Very touching, how Glenda and Jeshua started with their communication. A little timid at first, as I would imagine she would be. Then, their conversations turned into friendship. Imagine! Friends...with the blessed one! There's nothing more spectacular than...well, you know...how about having conversations like this with The ONE? If he showed up in your living room every day just to chat and tell you a story to type...now that would be something. It just goes to show, that these higher beings of light are making contact with us now must mean something pretty big is getting ready to happen! Can't wait! I'm definitely ready!

There are keys that open doors to astounding perceptions and higher states of being. These keys have now been revealed! The Keys of Jeshua is not about religion. Nor was it written to solicit, reinforce, or change existing beliefs. These teachings are a gift to your heart for the fulfillment of your life. Discover the courage to be fully conscious. Unlock your creativity. Fulfill the desires of your heart. Learn how to enter the Sacred Heart and know your soul's true purpose. Learn to release, forgive, and receive the ultimate blessing of true freedom. Gain enlightenment and practical techniques to bring this new understanding into reality. Find peace within yourself. "The Keys of Jeshua" is the culminating presentation of the conversations between artist Glenda Green and Jesus Christ that took place in 1992 while she painted his portrait. He personally appeared to her. (He has appeared many times to others since the day of his resurrection.) Their visits were warm, personal and completely vivid to all the senses. She took extensive notes for her own future study, not realizing that he would eventually ask her to share them with the world. "The Keys of Jeshua" presents the remaining notes from their original conversations, plus the continuing lessons of subsequent years. More than that, it stands alone as a perfected light of what his teachings have always been. These are the quintessential instructions of the Beloved Master now presented within the context of contemporary language and modern understanding.

About the Author Author of the best-selling *Love Without End*, *Jesus Speak*, and artist of the internationally acclaimed portrait of Christ, "The Lamb and The Lion." She is acknowledged by the nation's leading scholars, critics, and museum officials as one of the world's foremost portrait painters and spiritual artists. Her paintings are housed in major art collections, including the Smithsonian Institution. She has taught on the faculties of Tulane University and the University of Oklahoma. She is an exceptional public speaker in high demand. "Her warm, witty and confident manner evokes our inner certainty of a higher awareness. Glenda has a clean energetic style, and masterful comprehension of the most critical spiritual issues. Her writing and teaching offer genuine opportunities to acquire a truer, more complete, understanding of the universe and our own place in it."
