Harmon Helmericks : The Last of the Bush Pilots before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last of the Bush Pilots:

This is the best book ever written about Alaskan bush pilots. Helmericks has been a pilot in Alaska since 1946 and is a master guide with the Alaska Game Commission. A born storyteller, he describes flying blind through fogged-in mountain passes, landing by pontoon on remote glaciers, and setting down on lonely sandbars. This book is an important document of Alaskan history and a thrill for any hunter, fisherman, or pilot.--This text refers to the Paperback edition.
