stories' of the Bible, along with Book of Jubilees and etc.0 of 0 people found the following review helpful. The Goodness of God mercy.By CustomerI would tell everyone about these books which I have they have change my thought about the Bible so much. I feel so much better and realize I have always knew it was more to God than we know.0 of 0 people found the following review helpful. Five StarsBy Rev.JamesT. Fordperfecto! just as described and arrived significantly sooner than last date listed for delievery

The notes for Volumes Three and Four tell where legends appear and reappear, where versions differ and where they contradict one another. When legends have been the subject of learned interpretation or debate, Ginzberg provides guidance to the commentaries and disputants; when the legends are part of a larger controversy, he provides context.

Nothing better illustrates the odd intimacy of the Bible and interpretation than Legends of the Jews, a seven volume set of biblical interpretations that was compiled by the famous Judaic scholar Louis Ginzburg nine decades ago, and that remains unsurpassed and indispensable today.
