From Brand: University Press of Florida : The Lesser Antilles in the Age of European Expansion before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lesser Antilles in the Age of European Expansion:

This collection offers the only single-volume treatment in English of the Lesser Antilles from the time of Columbus to

the abolition of slavery. The essays show how the Lesser Antilles emerged in the 17th and 18th centuries as among the most densely populated and advanced economic zones in the world and how they served as stepping-stones for the expansion of the slave-based plantation system in the Americas.

About the Author Robert L. Paquette is Publius Virgilius Rogers Professor of American History at Hamilton College in Clinton, New York. He is the author of *Sugar Is Made with Blood: The Conspiracy of La Escalera and the Conflict between Empires over Slavery in Cuba*, which won the Elsa Goveia Prize in Caribbean history. Stanley L. Engerman is John H. Munro Professor of Economics and professor of history at the University of Rochester. Among the many books he has coauthored or coedited are *Time on the Cross: The Economics of American Negro Slavery*, which won the Bancroft Prize, and *British Capitalism and Caribbean Slavery*.
