**Olaudah Equiano : The Letters and Other Writings of Gustav Vassa** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Letters and Other Writings of Gustav Vassa:

1 of 1 people found the following review helpful. equiano's lettersBy Markus Wiener Publishers"Saponik's careful documentation of Vassa's life and thoughts beyond 'The Interesting Narrative 'offers insights and mysteries that extend beyond the eighteenth century bestselling autobiography, and so complements it perfectly"--Chris Youe, editor of the Canadian Journal of African Studies

"a welcome companion to Equiano's *The Interesting Narrative and Other Writings* As an anthology of primary sources on a significant figure in Atlantic world and African diaspora history, this is a useful volume.-*Journal of Historical African Studies*" ... highlights the major contribution of an African to the body of knowledge of crimes against Africans in bondage [and] the immorality of human traffickers."-- Arthur Torrington, Equiano Society
