**William E. Hill : The Lewis and Clark Trail: Yesterday and Today** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Lewis and Clark Trail: Yesterday and Today:

Comparison of how the country the explorers passed through 200 years ago compares to the U.S. of today. This book details the journey of the Corps of Discovery with then and now illustrations of points along the route. It also describes

the many museums, interpretive centers, and historic sites that can be visited by travelers.
