Frederic William Farrar : The Life of Christ, Volume II of II before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life of Christ, Volume II of II:

4 of 4 people found the following review helpful. Great CONTENT, Terrible BOOKBy bombadilloStruggles... the content is awesome. But I get a headache even glancing at the text. It's a photocopy of an original book, and it's so tiny that you can hardly read a thing. Really bad printing. Has no one retyped this and published it? In all fairness, ALL of

this was written in the description, which I didn't read. I might look at one of the used hard copy books in the marketplace... maybe there's a better option there. In other news, I would highly recommend "Jesus the Christ" by James Talmage. Very inspired and detailed in every aspect of Christ's life. He references Farrar's work regularly, which is how I came across it.0 of 0 people found the following review helpful. Marvelous classic!By Joan AndersonThis is the best book of all the many I have read about Jesus Christ. You can tell he really "knows" the Lord and shares that understanding with us. He made the location and the persons come to life. I will be rereading it often. I feel so much closer to the Savior having devoured this book.3 of 3 people found the following review helpful. Moving and powerfulBy David Alan ArmstrongAlthough Farrar's theology is traditionally Protestant, his understanding of the history, the times, and the settings of the Holy Land are marvelous. His book is an oft-quoted source in Talmage's Jesus the Christ for God reason. The chapter on the Crucifixion was moving and powerful.

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.
