Very good book about the beginning of America and how God ...By Brady Very good book about the beginning of America and how God pulled strings to bring this great country together. Its, encouraging, its enlightening. Read it and fall in love with America all over again! 0 of 0 people found the following review helpful. A Favorite By Renown American Author: The Real His-story of Our USA By Lady

LiberTEA Illuminating correction by famed American author Peter Marshall thrillingly correcting current US history revisionism, with breathtaking aerial of God's point of view providence, enabling greater appreciation of Spanish, French, English missionaries/visionaries God's support of our founding father's revolutionaries who gave all to create our Bible-based beacon of freedom new nation unlike any other in man's short history. See the version for youth too. To quote the 2nd verse of the Star Spangled Banner: "thus be it ever where free men shall stand between our loved homes wars' desolations. Blessed w/ victory peace, may this Heaven's rescued land bless the Power that has made preserved US our nation. Conquer we must when our cause is so just; thus be our motto: "In God Is Our Trust. Oh say does that Star Spangled Banner yet wave o'er the land of the free the home of the brave?" 0 of 0 people found the following review helpful. so I'm glad these guys researched and documented it By Ken Nation Well researched and annotated! Very eye-opening account of our country's beginnings, and interesting background information about the people involved. We didn't hear this stuff in school, so I'm glad these guys researched and documented it. Now, if the education system in this country would just adopt this book and teach U.S. history using it to supplement their textbooks, that would be great.

Did Columbus believe that God called him west to undiscovered lands? Does American democracy owe its inception to the handful of Pilgrims that settled at Plymouth? If, indeed, there was a specific, divine call upon this nation, is it still valid today? The Light and the Glory answers these questions and many more for history buffs. As readers look at their nation's history from God's point of view, they will begin to have an idea of how much we owe to a very few--and how much is still at stake. Now revised and expanded for the first time in more than thirty years, The Light and the Glory is poised to show new readers just how special their country is.

From the Back Cover Did Columbus believe that God called him west to undiscovered lands? Does American democracy owe its inception to the handful of Pilgrims that settled at Plymouth? If, indeed, there was a specific, divine call upon this nation, is it still valid today? The Light and the Glory answers these questions and many more for anyone interested in the founding of the "great experiment" called America. As you consider our nation's history as a part of God's plan, you will begin to have an idea of how much we owe to a very few--and how much is still at stake. Now revised and expanded for the first time in thirty years, The Light and the Glory is the perfect handbook to our nation's beginnings--and its future.
