Maroons during the period of study, when they were in their heyday. Anyone who wants to understand the Maroons has to read this book.0 of 0 people found the following review helpful. Five StarsBy CustomerLoved this book it's my history. True history0 of 0 people found the following review helpful. Maroons of JamaicaBy valmThis book quotes the history of the Windward and the Leeward Maroons to the best of it's ability. The information on the five warrior brothers in charge at that time was a very interesting read.

A careful and thorough study of the Jamaican Maroons from the British conquest to the late 18th century. Choice This richly textured study of the struggles of the Maroons of Jamaica against the British colonial authorities, their subsequent collaboration with and betrayal by them, will be of great interest to historians of Africa. . . . Elegantly written . . . the author . . . makes her own contribution to current debates on resistance and collaboration. Michael Crowder, Institute of Commonwealth Studies
