Masonic Myth: Unlocking the Truth About the Symbols, the Secret Rites, and the History of Freemasonry:

The Masonic Myth by Jay Kinney is an accessible and fascinating history of the Freemasons that sheds new light on this secret fraternity. A nonfiction look at the mysterious and wrongly maligned ancient society that plays a major role in *The Lost Symbol*, the new novel by Dan Brown (*The Da Vinci Code*), Kinney's *The Masonic Myth* debunks the myths as it reveals the truth about the Freemasons, their history, and their secret symbols and rituals a truth that is far more fascinating than all the conspiracy theories combined.
