**Kenneth E. Rowe, Russell E. Richey, Jean Miller Schmidt : The Methodist Experience in America Volume II: Sourcebook** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Methodist Experience in America Volume II: Sourcebook:

0 of 0 people found the following review helpful. great resourceBy Melissaam reading this as part of a United Methodist history class. these primary resources are fascinating and also are a great resource for writing research papers.0 of 0 people found the following review helpful. MEA V2By Music ManThis is a graduate level book. I am taking graduate level course. I purchased this book at an excellent price. The book arrived timely.0 of 1 people found the following review helpful. I was sent a proof copy--great book, useless for classBy MaryThe only hint in the book itself that it's not the right printing is the note on the blank pages 6 and 7 "[[CP: Other permissions to be listed here,

when all in. Allow 2 pages]]". That and the fact that, two weeks into my class, we figured out that all my page numbers are at least 20 pages off, and I'm missing the timelines, and ALL THE ILLUSTRATIONS. Other than that, it's a nicely put-together text, and my class is really enjoying it. I'm just disappointed that sent a non-final copy.

Commissioned by the General Board of Higher Education and Ministry for use in United Methodist doctrine/polity/history courses. From a Sunday school teacher's account of a typical Sunday morning to letters from presidents, from architects' opinions for and against the Akron Plan to impassioned speeches demanding full rights for African Americans, women, homosexuals, and laity in the Church, this riveting collection of documents will interest scholars, clergy, and laity alike. This Sourcebook, part of the two-volume set *The Methodist Experience in America*, contains documents from between 1760 and 1998 pertaining to the movements constitutive of American United Methodism. The editors identify over two hundred documents by date, primary agent, and central theme or important action. The documents are organized on a strictly chronological basis, by the date of the significant action in the excerpt. Charts, graphs, timelines, and graphics are also included. The Sourcebook has been constructed to be used with the Narrative volume in which the interpretation of individual documents, discussions of context, details about events and individuals, and treatment of the larger developments can be found.

About the Author Kenneth E. Rowe, a retired clergy member of the Eastern Pennsylvania Conference, the premier bibliographer of American United Methodism, was for 31 years Methodist Librarian and Professor of Church History at Drew University, as well as Professor of Church History in the Theological and Graduate Schools. He is also Emeritus Professor of Church History and Methodist Archives Librarian at Drew University Theological School in Madison, New Jersey. (2011) Russell E. Richey is Dean Emeritus of Candler School of Theology and the William R. Cannon Distinguished Professor of Church History Emeritus in Atlanta, Georgia. Jean Miller Schmidt is Gerald L. Schlessman Professor Emerita of Methodist Studies, The Iliff School of Theology in Denver, Colorado. Jean Miller Schmidt is Associate Professor Modern Church History at Iliff School of Theology in Denver, Colorado.
