This book is about the three black Kingdoms of Ireland, Britain and Scotland who were sold into the North Atlantic slave trade. I have provided you with the original images of the Scottish King James, King Charles 1st and King Charles the 2nd. I have also provided you with images of the black Irish children who were sold into the slave trade. This book contains the testimony of Benjamin Franklin as he describes the black French, Spanish, Germans, Russians, Swedes and Italians in 1751. I have eyewitness accounts from Benjamin Franklin, Proffessor Boyd Dawkins and Dr. Albert Churchward. what does this book prove? It proves that the Old World Order according to Benjamin Franklin was black, this book is also the missing link between the two sciences; History and Genetics.
