Besides the complete works of Flavius Josephus with table of contents, a well made translation and plenty of comments you will also find detailed bibliography of Historical characters related to the

texts, maps, timelines and explanatory texts. A jewel to anyone into classic history. 0 of 0 people found the following review helpful. Very nice addition to my library By mursea Hours of study here. Very nice addition to my library. Made well.

(Revised and expanded edition; commentary by Paul L. Maier) Unabridged. Includes harmony of Greek and English numbering systems, table of Jewish weights and measures, Old Testament text parallels, twenty full-page illustrations, and an updated index.

A great bargain in a text of Josephus' works, as well as mesmerizing reading and commentary. (Church Synagogue Libraries 2004-06-03) Dr. Maier is an authority on Josephus and on first-century Christianity (F. F. Bruce 2004-06-03) The New Complete Works of Josephus promises to become a standard reference work for years to come.
