Eric Christiansen : The Northern Crusades: Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Northern Crusades: Second Edition:

0 of 0 people found the following review helpful. Excellent book, the author really masters the subjectBy CESARExcellent book, the author really masters the subject, and you get some information difficult to find somewhere else. I am truly satisfied.1 of 1 people found the following review helpful. Five StarsBy Owen M. Hammett Jr.A little understood series of crusades. Musr have research book.0 of 0 people found the following review

helpful. Five StarsBy Michelle C.Well researched. Well written

The 'Northern Crusades', inspired by the Pope's call for a Holy War, are less celebrated than those in the Middle East, but they were also more successful: vast new territories became and remain Christian, such as Finland, Estonia and Prussia. Newly revised in the light of the recent developments in Baltic and Northern medieval research, this authoritative overview provides a balanced and compelling account of a tumultuous era.

"The verve and vigour of Eric Christiansen's study illuminates developments vital in the early history of Eastern Europe and brings to life a story that had epic dimensions" Maurice Keen"For a one-volume history of the Northern Crusades, the reader has but one choice; this is it" William Urban in the American Historical "A fine study of the Baltic conquest" Hans Eberhard Meyer in the English Historical Reivew"Independent, erudite, lucid and witty a narrative that never flags" Christpher Tyerman"A fascinating and elegant book" Geoffrey Wheatcroft in the London of BooksAbout the AuthorERIC CHRISTIANSEN, a fellow of New College, Oxford, works mainly on Northern history in the Middle Ages. He has lectured in London, Copenhagen and Florida, and is the author of The Origins of Military Power in Spain. He lives in Oxford.
