Samuel J. Schultz : The Old Testament Speaks: A Complete Survey of Old Testament History, 5th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Old Testament Speaks: A Complete Survey of Old Testament History, 5th Edition:

0 of 0 people found the following review helpful. Great Introduction to the Hebrew Bible.By W. S. JonesIf you can get

only one introduction, get this one. A breadth of knowledge that is amazing, plus a wonderful bibliography (updated in this edition). My father-in-law had the 1st edition as his introductory course in the early 60s, and this book has stood the test of time very well. 0 of 0 people found the following review helpful. I really enjoyed the quality of the text. ...By Customer I really enjoyed the quality of the text. Information from text gave me more depth to the word. 0 of 0 people found the following review helpful. Four Stars By Tanya G. Gibbs Good price fast shipping! Thank you!

Here is a freshly updated edition of one of the most popular introductions to the history and literature of the Old Testament. *The Old Testament Speaks* offers a clear picture of the archaeological, geographical, historical, and linguistic dimensions of God's covenant with his people from the time of Abraham to the coming of the Messiah. *The Old Testament Speaks* examines the historical and religious life of the Hebrews, integrates the development of non-Hebraic cultures with conventional biblical history, and reviews the best modern scholarly research in placing the Scriptures in their Near Eastern setting. Samuel J. Schultz emphasizes the importance of letting the Scriptures tell their own stories. He makes selective use of the best and latest literature in Old Testament studies, and offers a balanced perspective. Schultz sifts the facts and follows them to their inevitable conclusions. However, when the evidence is not definitive, he exercises caution, presenting his own interpretation as only one of several possible views. Schultz also appraises the impact of recent archaeological and historical findings on the understanding of key portions of the Old Testament. *The Old Testament Speaks* contains all the relevant material -- biblical and nonbiblical -- necessary for classroom use or personal study of the Old Testament. Schultz provides outlines that reflect the historical background and summarize the contents of each biblical book, as well as charts and maps to help visualize the biblical narrative. He has also revised and updated the bibliographies at the end of each chapter.

"A positive proclamation of the spirit and purpose of the Old Testament." -- "Christianity Today" "Few books in the area of Biblical studies have proven themselves to be of such worth and value. What makes this book so attractive is the straightforward clarity and beauty of Schultz's presentation of the message. He has been able to show the contemporary significance of the Old Testament. All readers of the Old Testament will want to have a copy of "The Old Testament Speaks" handy for their own personal reading pleasure of the wonderful gospel found in the Old Testament." -- Dr. Walter C. Kaiser Jr., President and Coleman M. Mockler Distinguished Professor of Old Testament, Gordon-Conwell Theological Seminary "The Old Testament Speaks" is a book for the thoughtful layman, the preaching pastor, and the classroom instructor. It's dependable in its facts and interpretations and helpful in its explanations and outlines. Dr. Schultz emphasizes the practical message of the text and carefully balances solid academics with spiritual insights." -- Warren W. Wiersbe, author and conference speaker "For thirty years, I have used this book. It is still the best presentation of the Old Testament that accepts it as the Word of God. Schultz gives adequate space to archeological finds and extensive coverage in both outline form and narrative, yet it is comprehensive, not overly academic, and very readable for university freshmen and lay people." -- Dr. Wilbur Glenn Williams, Associate Professor of Biblical Literature and Archaeology, Indiana Wesleyan University About the Author Samuel J. Schultz is an emeritus professor of Bible and theology at Wheaton College. He is the author of *The Prophets Speak: The Law of Love -- The Essence of Israel's Religion*, *Deuteronomy: The Gospel of Love*, *The Gospel of Moses*, *Leviticus*, and numerous articles on biblical subjects.
