By Durwood Foote The One Year Christian History is one of my favorite daily readers; I have gifted it to my Pastor and many of my friends! My wife and I keep this and "Jesus Calling," by Sarah Young on the breakfast table and read from both each morning before beginning our day! It thrills my heart to read the encounters of fellow Christians on any given day in history and to learn how God walked with them on that day in times past. Like Bible prophecy, it is a true source of inspiration and courage for all who live by Faith and not by sight! Selah!

By Anniew Interesting excerpts about lives of

Christian leaders. Some are from Biblical times, others lived a few hundred years ago, and others are from the 20th century. A particular day in their lives, such as the date of their birth, death, marriage, start of ministry, etc., corresponds with that devotional day. Their faithfulness and God's faithfulness are timeless inspiration. 1 of 1 people found the following review helpful. You will not regret this purchase. By Sierra Gray Great devotional material, or something to read in short spurts. The topics vary so you never get bored. Excellent selection of subjects and very well written. Can't believe that it's still not in print. It's very hard to find sound interpretations of Church history with good application.

What happened on this date in church history? From ancient Rome to the twenty-first century, from peasants to presidents, from missionaries to martyrs, this book shows how God does extraordinary things through ordinary people every day of the year. Each story appears on the day and month that it occurred and includes questions for reflection and a related Scripture verse.
