Albert Churchward : The Origin and Evolution of Religion before purchasing it in order to gage whether or not it would be worth my time, and all praised The Origin and Evolution of Religion:

0 of 0 people found the following review helpful. Needed more specificBy Dong Soo LeeIn general this is so good, but it will be much better if it contains some specific examples. For example, in the case of number three (on page 292 and ..), " ...three is first magical..... " and general examples follow. But if "lustrations, exorcism of all kinds, oaths, " along with more specific examples in more detail could convince us all persuasiviely. Thank you anyway for your

attention. Regards. Douglas0 of 0 people found the following review helpful. Very informative if you're interested in the truth. If ...By Jabari M. OsaVery informative if you're interested in the truth. If you will read on the subject in this book will be illuminating . I have rear other the works of his so this only added to my depth of knowledge1 of 1 people found the following review helpful. Five StarsBy CharlesA must read
