Far as I'm concerned you need a notebook handy. Of course I'm not a seminary student just lay person.0 of 0 people found the following review helpful. I really like this book so farBy Niceta I. OwenI really like this book so far! It helps me understand the "why's" of the parables! Great

job, a bit wordy, but enjoyable and informative!0 of 0 people found the following review helpful. Love Learning!By Jeannette HaleyAnother great addition to our library.

Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables. Young challenges readers to remember that first-century Judaism was not merely the backdrop for Jesus' teachings but the very stage from which Jesus delivered the message of the kingdom.
