Alice von Hildebrand : The Privilege of Being a Woman before purchasing it in order to gage whether or not it would be worth my time, and all praised The Privilege of Being a Woman:

0 of 0 people found the following review helpful. Five StarsBy D. BarklageA beautiful little book.4 of 5 people found the following review helpful. Good book but a little dryBy blynn93This book was recommended to me by a friend. It is a pretty good book, I am almost done with it. Alice gives some good information and helps women to understand

what it means to be female and how being the "weaker sex" is not at all bad or shameful. Being a college business student it is nice to read something with a different viewpoint than those typically given on a college campus. The only reason I didn't give it a five star is because it can be a little dry in some places, but those spots seem to be short. Also since this book is REALLY hard to find because it is out of print, finding it new on for under \$20 is great. Most other places it is almost \$30 for a used copy. 0 of 0 people found the following review helpful. Five Stars By Lydia Very good book. It changed my outlook on many things.

Women historically have been denigrated as lower than men or viewed as privileged. Dr. Alice von Hildebrand characterizes the difference between such views as based on whether man's vision is secularistic or steeped in the supernatural. She shows that feminism's attempts to gain equality with men by imitation of men is unnatural, foolish, destructive, and self-defeating. The Blessed Mother's role in the Incarnation points to the true privilege of being a woman. Both virginity and maternity meet in Mary who exhibits the feminine gifts of purity, receptivity to God's word, and life-giving nurturance at their highest. ABOUT THE AUTHOR Alice von Hildebrand received a master's degree and doctorate in philosophy from Fordham University in New York. She taught at the Hunter College of the City in New York, the Catechetical Institute in Arlington, Virginia, the Thomas More College in Rome, Italy, Franciscan University in Steubenville, Ohio, and Ave Maria College in Ypsilanti, Michigan. She lectures in Canada, South America, Western Europe and the United States, and is the author of several books including Greek Culture: The Adventure of the Human Spirit, A Philosophy of Religion, By Love Refined, By Grief Refined, and Soul of a Lion. She co-authored several books with her husband, Dietrich von Hildebrand, including The Art of Living, Morality and Situation Ethics, and Graven Images.

"Every page is filled with insights that make one want to sit back and contemplate." -- Dr. Janet E. Smith, Saint Austin, July/August 2002 About the Author Alice von Hildebrand received a master's degree and doctorate in philosophy from Fordham University in New York.
