Rabbi Who found Messiah. By Beulah Brooks Very interesting reading. Lots of information. 0 of 0 people found the following review helpful. Pretty good By Customer Very good journalist job. However, the author could have done a better job if he had engaged deeper with the unclear and ambiguous Kaduri's pronouncements about Yeshua's identity.

From Amazon Top 60 bestselling author - Carl Gallups Featured in The Washington Times and The World Tribune Featured in national and international TV, radio, and print media Ranked #1 best seller in multiple Amazon categories ===== Read the shocking story that the media have ignored and covered up. In 2007, two Israeli news publications, Israel Today and News First Class reported that the most famous Rabbi in Israel's modern history, 108-year-old Yitzhak Kaduri, had left a cryptic death note revealing the name of the long-awaited Messiah. Within a year after the rabbi's death, the note was reported to have been verified as authentic by some of Kaduri's closest followers and then placed on Kaduri's own website (Kaduri.net). The purported Kaduri message proclaimed that Messiah's name was Yehoshua, or Jesus. Its significance shocked the religious world. Shortly thereafter the furor began. The note immediately disappeared from Kaduri's website. The media refused to report further upon the matter. The Kaduri family, and several others close to the Kaduri ministry, began to claim that the note was a forgery or a mere fabrication - a cruel joke. Now, author, senior pastor, radio talk show host, and former law enforcement officer Carl Gallups, uses his biblical knowledge and journalistic and investigative skills to explore the matter inside and out. His thorough and balanced reporting of the documented facts of the case will astound you. Messianic Rabbi Jonathan Cahn, author of The Harbinger, several renowned biblical experts, as well as former students of Kaduri's rabbinical training school weigh in on the case. Gallup's exciting detailed reporting reaches startling conclusions that will amaze you. Mystical death-curses, visions of Messiah, an important world political figure under threat, religious leaders in shock, a cryptic death note, and more, this story is shocking, it is true and it is still unfolding. Did Rabbi Kaduri actually see and identify the real Messiah? From the publishers and the movie studio that brought you the best-selling documentary The Isaiah 9:10 Judgment comes the story of The Rabbi Who Found Messiah.

And he has a gift of being able to provide biblical interpretations to contemporary national and international issues. This book is completely different from his first one (THE MAGIC MAN IN THE SKY). It reads more like a mystery novel. Carl was in the field of law enforcement for ten years before he entered the ministry, and his training as an investigator clearly shows up in this book as he applies investigative techniques to analyze one of the most explosive events in the modern history of Orthodox Judaism. So, get ready to be captivated by the story of an event that recently shook the foundations of Orthodox Judaism. You will be fascinated by the event, and you will be mesmerized by Carl's insightful analysis of it." -- Dr. David Reagan Lamb Lion Ministries Christ In Prophecy TV "When a much loved Jewish Rabbi dies at 106 years of age, shortly after leaving a secret message revealing the true identity of the Messiah of Israel, it is news of worldwide significance.
