Rabbi Wayne Dosick Ph.D. : The Real Name of God: Embracing the Full Essence of the Divine before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Real Name of God: Embracing the Full Essence of the Divine:

6 of 7 people found the following review helpful. Excellent read By Barbara H. Whitfield co-author of Timeless Troubadours, The Moody Blues Music and Message I have had a Near-Death Experience and went on to research the experience at UConn Medical School. What I experienced and what the 100s that we interviewed experienced is in alignment with this well written book. Rabbi Dosick explains in a beautiful way about how IT is all one God. My heart

was so filled by his explanations that I had to buy the CD too. All together this is a spiritual experience that excludes no one! And fills the reader/listener with what near-death experiencers are trying to tell us. God is always God and the action of God is Unconditional Love. So when we live Unconditional Love we are in touch with the God in us! Hard to explain but Everywhere and in everyone. This book comes as close as I have read, to explain the Oneness and Love that is God. 0 of 0 people found the following review helpful. A brilliant treatise on the name of God By Gwendolyn Plano Rabbi Dosick's research leads him to discover the name of the all-loving and all encompassing God. This discovery shifts the focus from a hierarchical notion of the Divine to an intimate, mystical awareness of Love itself. As the book draws to a close, readers are left with the hope that Rabbi Dosick's discovery might provide a doorway through which Jews, Christians and Muslims might walk -- together. One God, one people. 0 of 1 people found the following review helpful. Five Stars By Dennis Mark Burgess Great Book. Thanks

Reveals the real, whole name of God and its place within each of us Explains how none of the God-names commonly used in the Bible is God's real name Shows how the real name of God unites all religions from both West and East Includes spiritual techniques, prayers, poems, and meditative chants to bring each of us into deep, personal, intimate, living relationship with God Of the many names of God commonly used in the Bible and other sacred literature, none is God's real name. Every God-name, including YHWH, reflects only one of God's many aspects, such as the loving creator, the militaristic authoritarian, or the all-knowing judge. None embodies the wholeness, the totality, the full Essence of God. Who then are we to speak to when we seek God? If you can't truly know something until you know its name, how can we truly know God? The culmination of years of translation research and etymological investigation, Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible: Anochi. He shows how this sacred name unites all religions--both of the West and the East. The name Anochi enables us to finally meet the whole, complete, real God--both the grand God of the vast universe and the God of breath, soul, and heart who dwells within each of us. This in-depth exploration of God's name includes spiritual techniques, poems, guided prayers, and meditative chants to bring each of us into personal, intimate, and purposeful relationship with God. By knowing the real name of God, we can affirm the connection to the Divine at the core of our being. We can touch the face of God that resides deep within us all.

In these pages, Wayne Dosick has revealed himself to be a spiritual master of our time. With sensitivity and wisdom, Rabbi Dosick has written a work of rare religious meaning that will serve to instruct and guide all of us who search for the experience of God in our lives. This is a book of religious faith and depth. (Rabbi David Ellenson, Ph.D., President Hebrew Union College-Jewish Institute of Religion) Rabbi Wayne Dosick provides an important entrance way for the spiritual seeker who has encountered the great Self and wondered how to connect. He allows us to identify personally and intimately with the Infinite Source of the universe. (Rabbi Zalman Schachter-Shalomi, Grandfather of the Jewish Renewal movement) Rabbi Wayne Dosick is a highly creative and innovative thinker who has written a book that is engaging, easy to read, deeply satisfying, and very practical. Old theological mysteries are artfully solved. As a Christian, I now understand the Hebrew Scriptures in new ways that bring me further into the presence of the Living God. The prayers and meditations written by the good rabbi will open your heart and be a song for your soul. (The Rev. Fr. James J. O'Leary, S.J., Associate director of Faber Center for Ignatian spirituality) The Real Name of God is theology that reads like a mystery novel. With scholarship, personal reflection, and wisdom, Rabbi Wayne Dosick points to what is in plain view but overlooked in sacred text: God's name is Anochi, I Am, the source of life and the longing to love who transcends and includes all that exists. Guiding both a celebration of Jewish expression and universal belonging, The Real Name of God evokes a life-throbbing, spiritually uplifting call by Anochi to each of us. (Rabbi Elie Spitz, author of, Does the Soul Survive?) Rabbi Wayne captivated me from the start. This scholarly and accessible book guides us beyond contradiction to the True Name and, therefore, the Full Essence of God. (Rev. Kathy Hearn, Community Spiritual Leader of United Centers for Spiritual Living) Rabbi Dosick provides us with a brilliant and crystal clear understanding of the all-encompassing God of love. Surely this is a much needed message for all who are seeking a fresh and direct route into personal faith. (Rabbi Leah Novick, author of, On the Wings of Shekhinah: Rediscovering Judaism's Divine Feminine) Rabbi Wayne Dosick once again reveals his passion for religion, his quest for the Divine, and his commitment for both plumbing the depths and scaling the heights of faith and belief. He is fearless in his search for the spirit, as he explores meanings behind meanings, and worlds beyond worlds. His combination of intellect and inspiration are alive, warm, and embracing. (David M. Posner, Senior Rabbi, Congregation Emanu-El of the City of New York) Rabbi Wayne Dosick introduces us to a holy interface with Divinity, a way for us to grasp humanly the utterly transcendent Ein Sof / Infinite God. How can we fulfill the mitzvah of our times, Love your neighbor as yourself, without recognizing that the Holy I Am is an essential partner in every loving relationship? Rabbi Dosick is a powerful teacher for our times. (Rabbi Shaya Isenberg, Ph.D. Associate Professor and Chair Department of Religion, University of Florida) With quality scholarship, the skill of a classical midrashist (interpreter of Scripture), the wisdom of Kabbalah and other spiritual teachings, Rabbi Wayne Dosick adroitly parses a broad array of biblical texts and life experiences, to offer new insights into the nature and name of God. Dosick also formulates

religious chants and prayers that enable his readers to connect with this God within the universe and within the self. The Real Name of God speaks to pressing issues of our age--the reactionary growth of fundamentalist movements, the conflicts between religious traditions, the much-needed growing dialogue and search for unity across faith communities. This well-written, well-argued, provocative, and enlightening book should be of great interest both to individuals raised within the Western traditions and to all spiritually sensitive people. (Joel Gereboff, Ph.D., Associate Professor and Chair of the Department of Religious Studies at Arizona)

Rabbi Dr. Wayne Dosick has the extraordinary ability to blend worlds--to balance the rigors of scholarly, measured discourse, while writing as a Rabbi, and being a guide to the soul. The Real Name of God is the rare book that introduces the reader to the Blessed Holy One, the sacred Presence that suffuses all life and experience. It is about being ready to say Hineini (Here am I) to God--knowing that God has already made that commitment to us. The prayers and meditations that Rabbi Wayne has written serve as inspiring and very effective pathways to help us come to God, and surely find a growing sense of spiritual reward. There are many in our contemporary times who are in search of spiritual guidance, but are not willing to sacrifice intellectual integrity. This book will allow the reader to adopt Rabbi Dosick as philosopher, guide, and friend, for he succeeds in speaking to the mind, the heart, and the soul. The world (Jewish and non-Jewish alike) is much richer for Rabbi Dosicks teachings. (Rabbi Samuel Barth, Ph.D., Senior Lecturer in Liturgy and Worship at The Jewish Theological Seminary)

RELIGION / SPIRITUALITY Of the many names of God commonly used in the Bible and other sacred literature, none is Gods real name. Every God-name, including YHWH, reflects only one of Gods many aspects, such as the loving creator, the militaristic authoritarian, or the all-knowing judge. None embodies the wholeness, the totality, the full Essence of God. Who then are we to speak to when we seek God? If you cant truly know something until you know its name, how can we truly know God? The culmination of years of translation research and etymological investigation, Rabbi Wayne Dosicks work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible: Anochi. He shows how this sacred name unites all religions--both of the West and the East. The name Anochi enables us to finally meet the whole, complete, real God--both the grand God of the vast universe and the God of breath, soul, and heart who dwells within each of us. This in-depth exploration of Gods name includes spiritual techniques, poems, guided prayers, and meditative chants to bring each of us into personal, intimate, and purposeful relationship with God. By knowing the real name of God, we can affirm the connection to the Divine at the core of our being. We can touch the face of God that resides deep within us all.

RABBI WAYNE DOSICK, Ph.D., is the host of the weekly internet radio program SpiritTalk Live, the spiritual guide of the Elijah Minyan Jewish Renewal community in San Diego, and the director of the Soul Center for Spiritual Healing with facilitators throughout the world. A former faculty member of the University of San Diego and the author of several books, including Living Judaism, he lives in La Costa, California.
