Edwin S. Gaustad, Leigh Schmidt : The Religious History of America: The Heart of the American Story from Colonial Times to Today before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Religious History of America: The Heart of the American Story from Colonial Times to Today:

0 of 0 people found the following review helpful. Excellent overview
By danny tice
This book did an excellent job in highlighting the key movements in American religious history. The book did fail to mentioned the Charismatic Movement of the late 60s- 80s. This movement impacted many denominations as well as was the impetus for new styles of music in church services

By Tom G
Great!
0 of 1 people found the following review helpful. Great Book
By Pamala88
Great book. Very informative. Love the writing style as well as all the information given inside. It really opens your eyes to many things. Delivery was prompt as well.

A Dynamic Account of Religion's Central Role in American History

From Library Journal
Since the first edition was published in 1966, this work has remained a standard text for American religious history. The 2002 revision, by Gaustad (history, emeritus, Univ. of California, Riverside) and Schmidt (religion, Princeton Univ.), retains the core material with a revised chapter structure, updated bibliographies, and some text revisions. In some cases, the revisions are simply rearrangements of chapter sections, while in others there is a shift in terminology e.g., using "African American" for "black" and replacing "American religion" with the more clearly designated "American Protestantism." While such changes are subtle, they do alter the tone of the work, bringing it more in line with current approaches to the study of religion and American culture. In the case of the last three chapters, the authors have done considerable revision and brought the history up to the turn of the century. The overall result is a well-balanced enhancement of an excellent work. Recommended for all libraries. Jan Blodgett, Davidson Coll. Lib., NCC
Copyright 2002 Reed Business Information, Inc. How wonderful that Gaustad will become the indispensable 21st century tool for the students of American religion. (Peter J. Gomes, author of *The Good Life*)... more comprehensive, more illuminating, and more up-to-date in this new edition with Leigh E. Schmidt. (Mark A. Noll, Professor of History, Wheaton College)
A comprehensive, graceful narrative that truly represents the pluralism, momentum, and vitality of American religious life. (Amanda Porterfield, Professor of History, University of Wyoming)
An immensely valuable resource ... adds texture and nuance to a very complicated story, making a classic textbook even better. (Gary Laderman, Associate Professor of American Religious History and Cultures, Emory University)
Stands among the very best of the American religious histories. (Dr. E. Brooks Holifield, Charles Howard Candler Professor, Emory University)
A well-balanced enhancement of an excellent work...recommended. (Library Journal)
From the Publisher
A thoroughly researched, profusely illustrated, and fully updated edition of this major history of religion in America.
