Warren H. Carroll : The Revolution Against Christendom: A History of Christendom, Vol. 5 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Revolution Against Christendom: A History of Christendom, Vol. 5:

0 of 0 people found the following review helpful. Five StarsBy John F. Presleyexcellent read as well as reference1 of 1 people found the following review helpful. Great HistoryBy MikeI love Warren Carroll's History of Christendom

series; it seems to be the perfect history book. It is meticulously researched, and written like a novel, while the copious footnotes never get in the way. 0 of 0 people found the following review helpful. Five StarsBy johnLove it!

This series is the only comprehensive narration of Western history written from the orthodox Catholic perspective still in print. How would a historical narrative read if the author began with these first principles: Truth exists; the Incarnation happened? This series is essential reading for those who consider the West worth defending.
