**Robyn C. Spencer : The Revolution Has Come: Black Power, Gender, and the Black Panther Party in Oakland** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Revolution Has Come: Black Power, Gender, and the Black Panther Party in Oakland:

0 of 0 people found the following review helpful. Thank you Robyn C. Spencer!By CustomerBorn and raised in

Oakland, CA. Proud of my home town and her history....ALL of it. Thank you Robyn for focusing on a very important bit of history that is relevant and impacting our lives today. 1 of 1 people found the following review helpful. From the start you are transported to the Black Panther ...By Janine T. From the start you are transported to the Black Panther headquarters. I felt as though I was actually there ,witnessing a part of history. Ms. Spencer's writing ,her use of words paints a picture I will not forget. 0 of 0 people found the following review helpful. Five Stars By Ebonie Brewster interesting and informative!!

In *The Revolution Has Come* Robyn C. Spencer traces the Black Panther Party's organizational evolution in Oakland, California, where hundreds of young people came to political awareness and journeyed to adulthood as members. Challenging the belief that the Panthers were a projection of the leadership, Spencer draws on interviews with rank-and-file members, FBI files, and archival materials to examine the impact the organization's internal politics and COINTELPRO's political repression had on its evolution and dissolution. She shows how the Panthers' members interpreted, implemented, and influenced party ideology and programs; initiated dialogues about gender politics; highlighted ambiguities in the Panthers' armed stance; and criticized organizational priorities. Spencer also centers gender politics and the experiences of women and their contributions to the Panthers and the Black Power movement as a whole. Providing a panoramic view of the party's organization over its sixteen-year history, *The Revolution Has Come* shows how the Black Panthers embodied Black Power through the party's international activism, interracial alliances, commitment to address state violence, and desire to foster self-determination in Oakland's black communities.

"Tearing down myths and distortions on virtually every page, *The Revolution Has Come* is the first substantive account of the Black Panther Party's Oakland chapter—the iconic gathering that birthed the party and held on to its very last breath. Robyn C. Spencer's incisive attention to gender, state repression, black radical alliances, philosophical and ideological debates, and the organization's long decline makes this one of the most original studies of the Panthers to appear in years."
