I have now made three contacts with regarding this and I get no help. Maybe they'll read this. I would recommend not buying the book until you can get the whole book. I will remove and change this post if I ever get the issue solved. This constitutes my fourth attempt. Sorry.0 of 0 people

found the following review helpful. More than a midnight ride By John W. Pitcock I found it amazing that I knew so little of Paul Revere, other than his famous ride and being a silversmith. He did so many varied things in his life that this is definitely worth reading. I would have given it 5-stars except I didn't like the use of Olde English in much of the writing. 0 of 0 people found the following review helpful. A remarkable account of the iconic Paul Revere By Bruce Janet Engaging and readable, the scholarly work brings a new life to the amazing life and times of Paul Revere. Take the time to read this book and prepare to be educated and entertained. Highly recommended!

Quick in the saddle and fast out of town. Watch one of Americas most remarkable heroes come alive through fast-paced prose and gripping storytelling. Hes Famous for his Ride. Hes Essential for So Much More. The story of Paul Revere is the story of the American Revolution. Always smack dab in the thick of things, he was an ordinary citizen living in extraordinarily turbulent times. Revere played key roles in colonial tax fights and riots, the infamous Boston Massacre, the Tea Party, the Battle of Lexington and Concord, and even the ratification of the U.S. Constitution. In this fast-paced, dramatic account, Paul Reveres life pulses with energy as author Joel J. Miller explores his family and church life along with his revolutionary contribution as a spy, entrepreneur, express rider, freemason, and commercial visionary. The story of Paul Revere a hero of Massachusetts, a hero of America was never more timely. Nor has it ever been better told than by Joel J. Miller. The Revolutionary Paul Revere gallops along with all the drama and intrigue of a great novel, highlighting what makes Revere so essential in the story of Americas founding and its growth as a force for freedom in the world. This is a vibrant, vital, and wonderful story. WILLIAM J. BENNETT, Author, America: The Last Best Hope and A Century Turns
