Theodore M. Ludwig : The Sacred Paths: Understanding the Religions of the World (4th Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Sacred Paths: Understanding the Religions of the World (4th Edition):

0 of 0 people found the following review helpful. Five Stars By DBOY God this book is difficult, but once you get the core concepts it's much easier
0 of 0 people found the following review helpful. One Star By kr1pt4kr0n1c Boring af.
0 of 1 people found the following review helpful. If you are a professor, try Invitation to World Religions! By JRMore historical based, assumes faith/belief, there are better textbooks out there that teach from a more open, less biased view. I had a class with the below used, highly recommend. Invitation to World Religions 2nd Edition by Jeffrey Brodd (Author), Layne Little (Author), Brad Nystrom (Author), Robert Platzner (Author), Richard Shek (Author), Erin Stiles (Author) Wide ranging, good at summarizing history and beliefs, modern impact and how religion and culture are intertwined. I promise I in no way profit from this review or from people buying Invitation to World Religions, just an undergrad student whom has taken classes with both books.

This book combines study of the dynamic historical development of each religious tradition with a comparative thematic structure. In this way, the book helps readers to explore each of the major religions as a unique and integral system of meaning and life. At the same time, readers are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions. Covering the religions arising from India, China, Japan, and the Mediterranean world, this book introduces the key dimensions of religious experience, outlining the basic human concerns that give rise to religious experience, such as origin and identity, ultimate reality, human nature, and the good life. For anyone interested in exploring the origins and development of the diverse religions of the world.
