Five StarsBy CustomerExcellentlly written - see comment for Volume IV0 of 0 people found the following review helpful. i love this book i am a historical nutBy jacobi love this book i am a historical nut .. and the fact that even though thewre are many stories brought down in the talmud the author tries to find historical accuracy to the stories .. thank you binyamin lau please publish more like this we have a long history ..lol0 of 0 people found the following review helpful. Easy to understand for those without HebrewBy MORRIS LIEBSCHUTZThis is an excellent ,and insightful review of Jewish historical and spiritual events. It has helped me to understand the trials ,tribulations,failures ,successes and strengths of our people. This book is great for both Jews and non Jews alike seeking insight into the evolution of Judaism.

The Sages is the first book to appear in English by the charismatic Jerusalem rabbi, Binyamin Lau. It offers fresh perspectives on the individual characters of the Jewish sages (Chazal), the historical contexts in which they lived, and the creativity they brought to the pursuit of Jewish wisdom. This first volume in a three-volume set examines the teachings of the Men of the Great Assembly, Yosi Ben Yoezer, Hillel, Shamai and others of the Second Temple Period.

Insightful and thought-provoking , bringing new and deeper perspectives on Chazal...accessible and relevant to both the scholarly and lay reader. --Shlomo Brady, TraditionAbout the AuthorRabbi Binyamin Lau is an Israeli community leader, educator and social activist. He directs the Center for Judaism and Society at Beit Morasha of Jerusalem, and founded Beit Morasha's Moshe Green Beit Midrash for Women. Rabbi Lau lectures on halakha and social justice at Beit Morasha s Beren College, and serves as Rabbi of the Ramban Synagogue in Jerusalem. He studied at the Har Etzion and Kibbutz HaDati Yeshivas, and received a PhD in Talmud from Bar-Ilan University.
