**Andrew Phillip Smith : The Secret History of the Gnostics: Their Scriptures, Beliefs and Traditions** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret History of the Gnostics: Their Scriptures, Beliefs and Traditions:

1 of 1 people found the following review helpful. Five StarsBy BernaldA great read for added information of the history of religion.0 of 0 people found the following review helpful. Decent attempt at a history of a disorganized group of ...By John H. PerrottDecent attempt at a history of a disorganized group of non-connected groups who all aspired to "know" things that others do not. No secret mystery hidden knowledge here, just an attempt at a history of people who claimed they had some.1 of 1 people found the following review helpful. Five StarsBy CustomerAn eloquent narrative to a complex and long evolving ideology.

The Secret History of the Gnostics offers long-awaited illumination on the mystical movement that teaches 'gnosis' - knowledge of God as opposed to unquestioning faith. Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement, exploring its popularity during 2nd century AD, its subsequent decline under the weight of orthodoxy in the Church, and its present-day resurgence. Gnosticism has travelled a fascinating path - from the Manichaeans in Modern Persia between the 3rd and 7th centuries AD, to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries, to, finally, today's Mandeans in Iraq. However, as the author points out, the revival of Gnosticism extends further than these narrow sects, offering inspiration to a legion of literary figures, including Dan Brown and Philip Pullman. Gnosticism's emphasis on personal over organized religion, in keeping with the doctrine of the early Christian era during which it thrived, has found particular resonance with today's multicultural world. The Secret History of the Gnostics is not simply an authoritative account of one sect's practical beliefs and customs - it is, in effect, a manifesto, an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins.

About the AuthorAndrew Phillip Smith is editor of The Gnostic and the author of several books on Gnosticism, esotericism and early Christianity, including the first ever Dictionary of Gnosticism. He has also written for New Dawn, Fortean Times and The Guardian. Originally from Wales he now lives in Dublin and has also lived in London and California.
