Four Stars By crystalvery informative 4 of 5 people found the following review helpful. The book exposed the real reason for the existence of ... By Camilo Yaryura The book exposed the real reason

for the existence of the Order of the Jesuits, they really are the "Airborne Army" of the Vatican, The Hitler-Mussolini-Vatican liasons. The so called Jesuits Order is the devil invention to world domination.!

Secrets the Jesuits don't want you to know
Out of Europe, a voice is heard from the secular world that documents historically the same information told by ex-priests. The author exposes the Vatican's involvement in world politics, intrigues, and the fomenting of wars throughout history. It appears, beyond any doubt, that the Roman Catholic institution is not a Christian church and never was. The poor Roman Catholic people have been betrayed by her and are facing spiritual disaster. Paris shows that Rome is responsible for the two great world wars. Older editions of this classic work were usually photo reproductions of the original, but this edition is completely retypeset in an easy to read modern typeface.

About the Author
Author Edmond Paris explains why he wrote this book..."The public is practically unaware of the overwhelming responsibility carried by the Vatican and its Jesuits in the start of the two world wars -- a situation which may be explained in part by the gigantic finances at the disposition of the Vatican and its Jesuits, giving them power in so many spheres, especially since the last conflict." "In fact, the part they took in those tragic events has hardly been mentioned until the present time, except by apologists eager to disguise it. It is with the aim of rectifying this and establishing the true facts that we present in this and other books the political activity of the Vatican during the contemporary -- activity which mutually concerns the Jesuits." "This study is based on irrefutable archive documents, publications from well-known political personalities, diplomats, ambassadors and eminent writers, most of whom are Catholics, even attested by the imprimatur."
