Leonard L. Richards : The Slave Power: The Free North and Southern Domination, 1780-1860 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Slave Power: The Free North and Southern Domination, 1780-1860:

0 of 0 people found the following review helpful. Solid book on many of the causes of the Civil WarBy william birdA challenge to Heart and soul. A good reflection of our current religious and social crisis. We Americans have been

fighting Slavery and Slavish Religion since 1733 (when the Southern Baptists took their slaves and families and left Kittery Point , Maine in the hands of the American Baptist Convention, which became a Liberal Baptist Congregation and engaged in the Social Gospel of the 1940s through current). Even though churches are not mentioned excessively Names like Beecher and other Anti- slave folks are given honest press.1 of 1 people found the following review helpful. Five StarsBy DjlAn incredibly important book from one of the nation's best scholars.1 of 2 people found the following review helpful. fascinating and convincingBy CustomerWell, maybe I didn't need much convincing, but this book lays it all out, step by step you'll see why some people believed there was a conspiracy.Well written, interesting, well organized. A book to re-read.

Through biographical cameos and narrative vignettes, the author explains the evolution of the slave power argument over time, tracing the often repeated scenario of northern outcry against the perceived slavery, and revealing the importance of slavery in the structure of national politics.
