David J. Weber : The Spanish Frontier in North America: The Brief Edition (The Lamar Series in Western History) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spanish Frontier in North America: The Brief Edition (The Lamar Series in Western History):

0 of 0 people found the following review helpful. Five StarsBy CustomerI like the book is new as stated. The printing

is very good.0 of 0 people found the following review helpful. Ready for collegeBy Stephanie MunozGreat. Just what I needed for school. Great condition.0 of 0 people found the following review helpful. Great bookBy Jorge Almeida ChGreat review of the Spanish colonial presence in North America.

This compact synthesis of David J. Weber's prize-winning history of colonial Spanish North America vividly tells the story of Spain's three-hundred-year tenure on the continent. From the first Spanish-Indian contact through Spain's gradual retreat, Weber offers a balanced assessment of the impact of each civilization upon the other. Praise for the previous edition: "I cannot imagine a single book giving a more comprehensive and balanced study of Spain's presence in North America." Louis Kleber, *History Today* "For readers seeking to understand the larger meaning of the Spanish heritage in North America, Weber's vivid narrative is a must. This is social and cultural history at its best." Howard R. Lamar, Yale University "A superb study." Choice "[A] deeply researched and splendidly conceived and written survey." Alvin M. Josephy, Jr., *New York Times Book Review*

"The Brief Edition is sure to be a successful successor to the original. General readers should find this to be an unimposing work that is eloquently written. Teachers who assign this book for their class will be pleased." F. Evan Noe, H-Net Florida
