**Henry Kamen : The Spanish Inquisition: A Historical Revision, Fourth Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spanish Inquisition: A Historical Revision, Fourth Edition:

25 of 25 people found the following review helpful. Thorough, scholarly, fascinating and essentialBy Donna M. StewartI really got a lot out of reading this book. It is a scholarly book, but is accessible to the general reader. Kamen takes pains to put the Spanish Inquisition within its context of historical, political, and practical spheres. Dare I use the word "balanced" to describe this portrayal of the much-maligned institution? In another field, Kamen may be

considered nearly an apologist, but careful reading of the text reveals the author not so concerned with defending the Inquisition as with avoiding the calumny that has plagued other portrayals. I read this book to prepare for and as an accompaniment to a trip to Spain, and it most definitely enriched my experience of that country. I am glad Kamen took the time and care in writing such a thorough depiction of the Spanish Inquisition. Not a short or easy book, but highly recommended to those who want more than the grotesque voyeurism of most Inquisition media. 3 of 6 people found the following review helpful. This book was shipped immediately and arrived beautifully packaged! My husband could not be happier in ...By snowed in This book was shipped immediately and arrived beautifully packaged! My husband could not be happier in fact he's reading it right now!! Best book seller! Highly recommend!!! 0 of 3 people found the following review helpful. very good service By Jaime D Cortes As advertised, very good service

In this completely updated edition of Henry Kamens classic survey of the Spanish Inquisition, the author incorporates the latest research in multiple languages to offer a new and thought-provoking view of this fascinating period. Kamen sets the notorious Christian tribunal into the broader context of Islamic and Jewish culture in the Mediterranean, reassesses its consequences for Jewish culture, measures its impact on Spains intellectual life, and firmly rebuts a variety of myths and exaggerations that have distorted understandings of the Inquisition. He concludes with disturbing reflections on the impact of state security organizations in our own time.

"Henry Kamens The Spanish Inquisition: A Historical Revision remains the best one-volume survey of this well-studied institution . . . lucid, engagingly written." Gretchen Starr-Lebeau, Journal of Religion
