Terry L. Jordan : The U.S. Constitution And Fascinating Facts About It before purchasing it in order to gage whether or not it would be worth my time, and all praised The U.S. Constitution And Fascinating Facts About It:

10 of 10 people found the following review helpful. A fine, inexpensive text of the founding documents of the ...By Clyde LeBonzA fine, inexpensive text of the founding documents of the United States. It also includes various little known facts, such as the history of the 27th Amendment, which delays laws affecting Congressional salary from taking effect until after the next election of representatives. This was proposed in 1789 as part of what is now known of the Bill of Rights, but not passed until 1995. Two hundred years! Yipes.Worth buying several copies of this book and giving them out to friends.17 of 18 people found the following review helpful. Great!By StarlinMuch smaller than I expected! Required reading for my Criminal Justice class. A lot of information packed into a tiny convenient shell. And you really can't go wrong with the price.I wish all of my books could be this light and cost friendly!5 of 5 people found the following review helpful. The Constitution - an essential component of your library.By Patricia CravenAs we become more aware of our civil rights, it is most useful to have a pocket sized version of the Constitution on hand. This version includes several additional features concerning the evolution of Constitutional law, cases, and historic events. It is a great price for a priceless document.

In The U.S. Constitution Fascinating Facts About It you'll see the entire text of the Constitution, the Bill of Rights and the Declaration of Independenceand much more! You'll find interesting insights into the men who wrote the Constitution, how it was created, and how the Supreme Court has interpreted the Constitution in the two centuries since its creation.

About the AuthorTerry Jordan (Cleveland, Ohio) received a B.S. in Education from Taylor University and a masters in History from Cleveland State University. He has spent much of his life studying, interpreting and teaching students about the U.S. Constitution. Previously, he was the Constitution expert for the Cleveland Plain Dealer, the regions largest and most closely followed daily news publication.
