Alan Brinkley : The Unfinished Nation: A Concise History of the American People Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unfinished Nation: A Concise History of the American People Volume 1:

0 of 0 people found the following review helpful. An excellent resourceBy Max L. GardnerSimply an excellent resource of American History. American history is actually a pretty complicated and sometimes a not so pretty picture when you dig into the details and conflicts among politicians, countries (America, England, France, Spain),

movements, and institutions. The Unfinished Nation does a very good job of telling the reader how everything transpired. After you read this, you will probably feel that we are lucky to have come through all of this to be the nation we are today. 1 of 1 people found the following review helpful. Son says it is interesting By Shasta1962 My 19 year old son loves history and had to purchase this for his first history class in college. When I asked if he wanted to resell it he said no because it was an interesting read! He said the book was way better than the history class because the teacher didn't know half about what she was trying to teach (her specialty and passion was another time and place - so why was she teaching US History to 1865?) and no one else in the class liked history - it was just something they did to jump through a hoop in their education. It got to the point where the teacher would ask a question and he was the only one who would raise his hand. Then the teacher would say - does anyone know besides "...". Now if my son could only find a career connected to history - using his knowledge other than teaching (which he is NOT interested in) 0 of 0 people found the following review helpful. LOVE IT By CustomerLoved this book... I am not American but I feel like through this book I have learned all of the history possible...

Known for its balanced voice and approachable scholarship, Alan Brinkley's best-selling *The Unfinished Nation* offers a concise, yet thorough survey of American History appropriate for students at all levels. The 8th edition features new scholarship and updated discussions, most significantly on the topics of War, American Imperialism, and Globalization. Brinkley's accessible narrative is available as a digital SmartBook, a personalized eBook that enhances understanding by asking students to demonstrate comprehension as they read. It is also supported by engaging digital tools, such as interactive maps, that encourage critical thinking and retention of key course concepts.

About the Author In addition to being a best selling textbook author, ALAN BRINKLEY is the Allan Nevins Professor of History and former Provost at Columbia University. He is the author of *Voices of Protest: Huey Long, Father Coughlin, and the Great Depression*, which won the 1983 National Book Award; *The End of Reform: New Deal Liberalism in Recession and War*; and *Liberalism and its Discontents*. His most recent books are *John F. Kennedy: The American Presidents Series: The 35th President, 1961-1963* and *The Publisher: Henry Luce and His American Century* both published recently. He was educated at Princeton and Harvard and taught previously at MIT, Harvard, and the City University Graduate School before joining the Columbia faculty in 1991. In 1998-1999, he was the Harmsworth Professor of American History at Oxford University. He won the Joseph R. Levenson Memorial Teaching Award at Harvard in 1987 and the Great Teacher Award at Columbia in 2003. He is a member of the American Academy of Arts and Sciences, a member of the board of trustees of the National Humanities Center and Oxford University Press, and chairman of the board of trustees of the Century Foundation. He has been a visiting professor at Princeton, the Ecole des Hautes Etudes en Sciences Sociales (Paris), and the University of Torino (Italy). He was the 1998-1999 Harmsworth Professor of American History at Oxford University.
