Great Visual Help to Understand Biblical World...Especially Great for Kids By Jacob and Kiki Hantla As we read through the whole Bible as a family, the Victor Journey Through the Bible is especially helpful for my kids to help connect them with the landscape, culture, and times that we are reading

about. The book is high quality print with lots of colorful images. The quality of the content varies from page to page, but overall has been helpful. As a tool to help you and/or your kids understand the world they are reading about in the Bible, this is a helpful tool. 6 of 6 people found the following review helpful. Pretty good but not what I expected. By Rachel D. This has good articles related to various stories in the Bible, but honestly I felt some of the information was trivial and not crucial to providing insight in the text. I was hoping for a better resource on key concepts or background info that I wouldn't know about the historical context or background of the time. I found about half of the articles helpful. 0 of 0 people found the following review helpful. Highly recommend. By BearyBlessedBunch This book is great. We use it for our children's curriculum but I plan to go through the entire thing so we all know more about God's story from this book. Great pictures and easy details that tell us more than we imagined!

Now You Can Journey through the Bible from Your Living Room Chair! The David C. Cook Journey through the Bible is a unique resource that approaches the Bible story by story. In these pages you will discover around 250 of your favorite Bible stories presented with background information in word and picture. This storehouse of authentic material includes these features: over 400 colorful pages of photographs, drawings, maps, and charts more than 100 drawings from objects or monuments of Bible times, over 200 photographs of Bible lands today, photographs of more than 50 archaeological discoveries, scores of reconstructions and diagrams, and dozens of colorful maps. This easy-to-read, visual exploration of the Bible allows you to follow the action from Genesis to Revelation. The stories of Scripture will come alive as you travel story-by-story through Bible lands and times. You will discover how ancient people really lived—the foods they ate, the homes they lived in, the clothes they wore, the work they performed. Every library, home, church, and school will want this complete reference work on its shelves. It will enrich Sunday School lesson preparation, Bible storytelling, family devotions, and Bible study. The David C. Cook Journey through the Bible is unparalleled as a user-friendly resource!
