the following review helpful. SuperbBy Kevin R. StaffordThoroughly Academic, and from an Orthodox standpoint. This book engages your mind with the Orthodox understanding of scripture, and insists that as you engage it, you must encounter the risen Christ, and be changed; otherwise you are not genuinely discerning the Truth or Christ.0 of 1 people found the following review helpful. An Orthodox view of Canon and CanonicityBy CustomerIt is rare for the Orthodox to address issues of canon and canonicity. Fr. John Behr is the only one (other than Fr. Georges Florovsky) to address these issues.

This series traces the reflection provoked by Christ's question "Who do you say I am?" from the earliest days of Christianity to the Seventh Ecumenical Council. The problems tackled range from fundamental issues, concerning how Christ is known and the standard by which responses to him can be evaluated, to the reflections regarding his relation to God and to us. This text presents the history of theological reflection and a sustained analysis of the essential elements of the resulting theology.

About the AuthorJohn Behr is Associate Professor of Patristics at St Vladimir's Orthodox Theological Seminary.
